Security or Customs Greeter - \$50.00

Greeter to meet at security gate w/ name sign, escort to baggage to collect bags (if have any) and take to car staged in Area #5

## Point To Point PDX Arrival Options

Collect luggage from baggage claim, if you do not have baggage you must still proceed to the baggage claim area. Exit the baggage claim doors and head across the lanes of traffic to the "Information Booth". If you cannot find the information booth right away, there are several airport attendants who can assist you. They will be wearing green or red.

Check in at the Information Booth and give the attendant your last name and that you are waiting for a "Point to Point" town car. You will then be directed to a waiting area and your driver will be "called up" by the airport attendants. If your car has not arrived after waiting for five minutes, please go back to the Information Booth and verify that your name had been entered correctly.
